

Presentations index

Tom Rochette <tom.rochette@coreteks.org>

November 2, 2024 — [36c8eb68](#)

The following lists presentations that I have watched and that I suggest to people that are interested in learning more about AGI.

1 Demis Hassabis - DeepMind

- [General Learning Algorithms](#)
- [Systems Neuroscience and AGI](#)
- [The Future of Artificial Intelligence](#)

2 Jeff Hawkins - Numenta

- [Principles Of Hierarchical Temporal Memory - Foundations Of Machine Intelligence](#)

3 Jürgen Schmidhuber - IDSIA

- [How to Learn an Algorithm](#)
- [In the beginning there was the code](#)
